BOUND FOR GONDAR

On the 30th August our container full of medical equipment started its journey to Ethiopia. The container will remain on site at the hospital in Gondar, complete with its branding highlighting our contribution. Past President Richard Power will be going out to Gondar later in September to oversee the installation of the equipment and help with training.

This has been a remarkable achievement by the Club to raise £150k in twelve months.

Well done everyone!
