ROTARY CLUB OF LEICESTER BULLETIN

MAY 2019

TWINNING VISIT

In May, a party of ten Rotarians and partners visited our twin Club in Guimaraes, Portugal. We flew out from Stanstead on Thursday morning and were met at Porto Airport by members of the Guimaraes Club, who ferried us to their lunch/afternoon meeting. As it was a Bank Holiday in Portugal to celebrate their Independence Day, the Guimaraes Club had arranged lunch at a hilltop restaurant overlooking the city. Unfortunately the weather was typically English and it was difficult to make out the view through the rain and fog! However, the hospitality of the Portuguese more than made up for the poor weather. We were treated to an excellent buffet and a glass (or two) of Vinho Verde. President Sergio welcomed us and presented Richard with a porcelain platter depicting scenes from Guimaraes.

The following day we were shown around the Sensory Rooms at the Cerebral Palsy Centre in Guimaraes. Back in 2009 we had supported the project to provide these Sensory Rooms and it was quite moving to see how appreciated our support had been by all those connected with the care facility and the benefit it provided. We had a full tour of the remainder of the facility and met some of the Doctors, carers and clients.

In the afternoon, we had a relaxing four hour cruise up the beautiful River Douro before heading back to Guimaraes, where we had an excellent evening meal accompanied by President Sergio, his wife Suzanne and their charming eleven year old son.

On Saturday morning we quickly moved on to Porto where we attended a (premium) Port tasting session, bought some Port to bring home and then had lunch by the river. The afternoon was spent site seeing, evening was another great meal and the odd glass of wine, and most of us returned home the following day.

It was an wonderful trip for us all and we were made to feel very much part of the Guimaraes family. Hopefully we will be able to reciprocate in the near future when they visit our Club.

Thanks to Travel Agent Richard Power for organising the visit.

CLUB REPORTS

At our meeting in April the Committee Chairman updated the Club. Key points noted included:

Speaker Finder

Suggestions needed for speakers from July onwards, especially non charity ones for the M4B meetings.

Club Service

Chris Mitchell will be hosting a Garden Party at his house on 15 June. All are welcome and tickets are £15 per head.

Membership

Sadly we have lost several members this year to higher service. We need to recruit new members and the committee asks all Rotarians to carefully consider who they might introduce to the Club.

Special Projects

Various Young competitions have taken place with some notable successes.

Kids Out - Mark Simpson organising hopefully with a new caterer as Brucciani has closed

Stroke awareness day carried out 131 tests. 82 ok, but some urgent cases referred.

Sailability starts in May. Extra volunteers welcome. Candidates for this years RYLA are being sought - the event is from 20-27 July

Disability Games were very successful.

Volunteers needed for a riding for the disabled event – see Chis Saul

Foundation

Last year we benefitted from a major Rotary International Foundation grant for our Gondar project and this is made possible through our per capita contribution to RI of \$100. Please help us meet this target by reviewing your donation.

Communication

The new website is up and running. If you want anything adding to it please provide details to Diana Esho. Dates of events especially useful. If you use social media please like/resend any posts so we get a wider coverage.
